the world

This card is filled  
with Love

Thank you for your smile,  
it can change someones day.  
If you can't smile today,  
here is some Love for you:

Love is everywhere

Dear stranger,

I hope you are having a good day!  
If not, I hope this card will make it  
a little better. Keep the card if you need  
some love or give it to someone else.

Lots of Love,  
a stranger

P.S.: A random act of kindness can change someone's day.  
Together we can change the world, one act of kindness at a time.
